### Verse 1:

I'm feeling like you're so far away  
When the cold night breaks to bring a cold day  
I can't remember what we was all about  
You said everything's fine when it wasn't  
I say I love you but I don't feel nothin'  
I can't remember what we was all about

### Chorus 1:

Well get off my soul  
Get off my soul and go  
Well get off my soul you're like any other woman  
Get off my soul and go

### Verse 2:

I'm feeling like you're so far away  
In the distance, kiss so that we don't say  
I can't remember what we was all about  
Everybody tried to warn me something  
Asked me if you was more than real good loving  
I can't remember what we was all about

### Chorus 2:

Well get off my soul  
Get off my soul and go  
Well get off my soul you're like any other woman  
Get off my soul and go

### Bridge:

I feel, I'm feelin' like love, love!  
I'm feelin', I'm feelin' like love, love!  
I feel, I'm feelin' like love, love!  
I'm feelin', I'm feelin' like love, love!

### Chorus 3:

Well get off my soul  
Get off my soul and go  
Well get off my soul you're like any other woman  
Get off my soul and go

I feel, I'm feelin' like love, love!  
I'm feelin', I'm feelin' like love, love!  
I feel, I'm feelin' like love, love!

I'm feelin', I'm feelin' like love, love!
