Intro:

Yeah, what, uh-hu, yeah, listen

Verse 1:

There was a time when human beings
Were human beings not MTV
Not shopping sprees
Not pictures in your magazines
You think you're too fat, think you're too thin
Girl you're just fine, maybe it's him
Cause I'm still lookin'
I can't stop lookin' I can't stop lookin'

Chorus 1:

Girl you're so woman
The way you do, you're so woman
It's all right there just look inside
You're Mother Nature's gift to guys
Let go your pain, let yourself shine
Let freedom ring from deep inside
And I'll be lookin',
I can't stop lookin' I can't stop lookin'

Verse 2:

He picked you up, put you down
Pulled you apart, pushed you around
But when you're not with him
I love your rhythm! I love your rhythm!
You're so tired of this game
And I'm so tired of this game
Why don't we all just let it go?

You think you're too dark, think you're too light
Think you're too short, girl you're just right
I think you should stop thinking about
What people think and be more woman
Think you're too this, think you're too that
Girl you're just fine so just relax
Cause I'm still lookin',
I can't stop lookin' I can't stop lookin'

Chorus 2:

Girl you're so woman
The way you do, you're so woman
It's all right there just look inside

You're Mother Nature's gift to guys
Let go your pain, let yourself shine
Let freedom ring from deep inside
And I'll be lookin',
I can't stop lookin' I can't stop lookin'

You're so tired of this game
And I'm so tired of this game
Why don't we all just let it go?
You think you're too this, think you're too that
Girl you're just fine so just relax
Cause I'm still lookin',
When you're not lookin' I'm over there lookin' like

Bridge:
Mmm! Uh-hu
Mmm! Come on
Yeah
Uh-hu
Mmm! Come on
Hmm
I can't stop lookin' I can't stop lookin'

Chorus 3:
Mmm! Girl you're so woman
The way you do, you're so woman
It's all right there just look inside
You're Mother Nature's gift to guys
Let go your pain, let yourself shine
Let freedom ring from deep inside
And I'll be lookin',
I can't stop lookin' I can't stop lookin'

You're so tired of this game
And I'm so tired of this game
Why don't we all just let it go?
You're so tired of this game
And I'm so tired of this game
Why don't we all just let it go?

Let it go, let it go,
Let it go, let it go (Â...shopping sprees!),
Why don't we all just let it go? (Â...pictures in your
magazines!)
Let it go, let it go,
Let it go, let it go,
Why don't we all just let it go?
