[Intro:]

Just believe in yourself
I don't know
Believe in yourself
I don't know
Believe, Believe...

[Verse 1:]

My love will never know
What you want, I don't know
And anything you would ever need
My love will never be

[Prechorus:]

I know you would do better off alone
And it's time for me to shine

[Chorus:]

I'll see you again, it's not hard to make a friend
It's not hard to make the same mistake again
And when you're gone I'll find strength to carry on
Cause I get strong when things go wrong anyway

[Verse 2:]

I know what you believe
Like late night philosophy
You play it off it ain't hard to tell
Cause your eyes say something else

[Prechorus:]

I know you would do better off alone
And it's time for me to shine

[Chorus:]

I'll see you again, it's not hard to make a friend
It's not hard to make the same mistake again

And when you're gone I'll find strength to carry on
Cause I get strong when things go wrong anyway

[Bridge:]

And it's time for me to shine

And it's time for me to shine

Just believe in yourself
I don't know
Believe in yourself
I don't know
Believe, Believe...

[Chorus:]
Just believe in yourself
I don't know
Believe in yourself
I don't know
Believe, Believe...

I'll see you again, it's not hard to make a friend
It's not hard to make the same mistake again
And when you're gone I'll find strength to carry on
Cause I get strong when things go wrong anyway

I'll see you again, it's not hard to make a friend
It's not hard to make the same mistake again
And when you're gone I'll find strength to carry on
Cause I get strong when things go wrong anyway

Cause I get strong when things go wrong anyway.
