"Hold That Tear"

You've got that look of almost crying in your eyes once
again I almost made you cry
Bitter words were spoken and your heart was almost
broken
Angry words that often make love die
But if we'll forgive each other one more time
If you'll let me take you in these arms of mine
To keep tears from your eyes I'll apologize with every
single word my heart can find
Hold that tear wait right here till I find the words to tell
you
That will keep your heart from breaking that will stop
your eyes from crying
Hold that tear don't cry and I'll swear if you'll just try
That you'll never have to cry over me
Hold that tear don't cry...
