Verse 1:

I don't know anyone
On crowded streets I drift alone
IÂ... [humming]
Maybe that day is near
When you'll appear
And we'll just carry on [humming]

Prechorus 1:

Some days I can't help thinking
I'm over you, woah-oo-oah-oo-oah
Some days I can't help thinking
That time might bring you in my life

Chorus 1:

I'm gonna keep my spirits high
No, no, woah-oo-oah-oo-oah
And I'll be alright

Verse 2:

I don't know anything
I wish to stars and chase the wind
IÂ... [humming]
I don't know anyone
Cause I'm too dumb
To try to make a friend [humming]

Summer then changes to leaves blowing round
Autumn then changes to snow falling down
Snow come down, I'm standing outside,
Sun rising, thinking bout you and I

Prechorus 2:

Some days I can't help thinking
I'm over you, woah-oo-oah-oo-oah

Some days I can't help thinking
That time might bring you in my life

Chorus 2:

I'm gonna keep my spirits high
No, no, woah-oo-oah-oo-oah

And I'll be alright
My baby, to just hold you in my arms again
Woah-oo-oah-oo-oah
Some days I can't help thinking
It's time, it's time, it'sÂ...

Bridge:
[soulful humming]

Summer then changes
To leaves blowing round
In the Fall,
Into snow falling
Down, down, downÂ...

Prechorus 3:
I can't help thinking
I'm over you, woah-oo-oah-oo-oah
I can't help thinking
It's time I want nothing else but life!

Chorus 3:
I'm gonna keep my spirits high
No, no, woah-oo-oah-oo-oah
And I'll be alright
My baby
I'm gonna keep my spirits high
No, no, woah-oo-oah-oo-oah
And I'll be alright
