I don't love you anymore not the way I did before  
And since you've found somebody new I think it's best  
I don't cry and walk the floor I don't love you anymore  
The trouble is I don't love you any less  
I don't love you anymore for I've got no more love to  
give  
You drained my heart of all it's love with every sweet  
caress  
I keep saying o'er and o'er I don't love you anymore  
The trouble is I don't love you any less  
[ piano ]  
I held you close to me one time kissed your lips and  
called you mine  
Then another came and warmed you with his touch  
I cried as you walked out the door I don't love you  
anymore  
That's the truth but I still love you just as much  
I don't love you anymore...
