Verse 1:

Lately I've never been so alone
Washed up with the stones
And leaves just blowing me away
Lately I'm never on time
I'm just standing here
With everybody running around
And I'm just standingÂ...

Chorus 1:

Â...Here
Sunshine come and rain down on me
I can't let go
I'm just standing here

Verse 2:

Lately I'm feeling so far away
But so close til I touch,
Touch the darkness deep inside
So I just hold on, holding on to life,
I'm just standing here

With everybody running around
And I'm just standingÂ...

Chorus 2:

Â...Here
Sunshine come and rain down on me
I can't let go
I'm just standing here
Sunshine come and rain down on me
I can't let go
I'm just standing here

Bridge:

[Vocal riff solo]
And I'm just standingÂ...

Chorus 3:

Â...Here
Sunshine come and rain down on me
I can't let go

I'm just standing here
Sunshine come and rain down on me
I can't let go
I'm just standing here
