[Verse 1:]

Now there ain't nothing in my way  
Nothing gets me down  
Well can't nothing stop me now  
Now I can't figure it out  
But I'm free as the rain  
Just keeps coming down

[Chorus:]

There's something in my heart  
I just can't figure it out  
It's so easy now  
Now you walked inside my heart  
And I just can't figure it out  
Suddenly it's just so easyÂ...

[Verse 2:]

Now when I'd given up the fight  
Given up my dreams  
When I'd given up on life  
Now when I'd had enough pain  
I just laid on the ground  
And that's when you came

[Chorus:]

There's something in my heart  
I just can't figure it out  
It's so easy now  
Now you walked inside my heart  
And I just can't figure it out  
Suddenly it's just so easyÂ...

[Bridge:]

I surrender to this love!  
I surrender to this love!  
I surrender to this love I can't remember who I was!  
And that's okÂ...

[Verse 3:]

Now there ain't nothing in my way  
Nothing gets me down  
Well can't nothing stop me now  
Now I can't figure it out

But I'm free as the rain  
Just keeps coming down

[Chorus:]  
There's something in my heart  
I just can't figure it out  
It's so easy now  
Now you walked inside my heart  
And I just can't figure it out  
Suddenly it's just so easyÂ...

There's something in my heart  
I just can't figure it out  
It's so easy now  
Now you walked inside my heart  
And I just can't figure it out  
Suddenly it's just so easyÂ...
