Chorus 1:

Oh Baby, understand
You are not my girl, I am not your man
But you and I make up all the rules
Let's just say we're friends, but what we do is cool

But I'm tellin' youÂ...

Verse 1:

Party's over it's time to leave
I look around and it's only you and me
We've both been friends for such a long, long time
I'm so alone it's been a long, long night

But I'm tellin' youÂ...

But I'm tellin' youÂ...

Chorus 2:

Oh Baby, understand
You are not my girl, I am not your man
But you and I make up all the rules
Let's just say we're friends, but what we do is cool

But I'm tellin' youÂ...

Verse 2:

Days roll by and then pretty soon
People out there talking, asking me about you
We've both been friends for such a long, long time
Just smile and say you're just a friend of mine
But I'm tellin' youÂ...
But I'm tellin' youÂ...

Chorus 3:

Oh Baby, understand
You are not my girl, I am not your man
But you and I make up all the rules
Let's just say we're friends, but what we do is cool

Oh Baby, understand
Lovin' ain't no accident, but Love ain't got no plans
Cause you and I make up all the rules

Let's just say we're friends, but SHHHHÂ... it's cool

But I'm tellin' youÂ...

But I'm tellin' youÂ...

Girl, that's rightÂ...

Chorus 4:

Oh Baby, understand

You are not my girl, I am not your man

But you and I make up all the rules

Let's just say we're friends, but what we do is cool

Oh Baby, understand

Lovin' ain't no accident, but Love ain't got no plan

Cause you and I make up all the rules

Let's just say we're friends, but what we doÂ... is cool
