Verse 1:

People talkin' all over town
I heard that girl has been around
There's somethin' bad about my girl
I tore right in without a run for the money
I can't help but come back with you honey
And I can't help but comin' back with you honey

Chorus 1:

Lonely, Lonely Love
You're like a blessing from above
And I can't help myself when I'm with you
Lonely, Lonely come another time when
Guess I'll be comin' right back again
I can't help but comin' back again, babe

Nothin's really wrong
But, um, nothin's really right
I heard all about you but I guess I'll let it slide

Verse 2:

People come and yeah people go
But I met you a long time ago
And nothin' was a problem then
The way you walked with your big bad curls
Somethin' bad about you girl
There's somethin' bad about my girl

Chorus 2:

Lonely, Lonely Love
You're like a blessing from above
And I can't help myself when I'm with you
Lonely, Lonely come another time when
Guess I'll be comin' right back again
I can't help but comin' back again, babe

Nothin's really wrong
But, um, nothin's really right
I ran til the mornin'

But I can't find no place to hide
Baby I heard somethin' about you

But I guess I'll let it slide

Bridge:

Nauh na nau-auh, Na na na nau-hauh
Nauh na na na na na na na nauh
Nauh na nau-auh, Na na na nau-hauh
Nauh na na na na na na na nauh
Nauh na nau-auh, Na na na nau-hauh
Nauh na na na na na na na nauh
Nauh na nau-auh, Na na na nau-hauh
Nauh na na na na na na na nauh

Nothin's really wrong

But, um, nothin's really right

I heard all about you but I guess I'll let it slide...tonight

Verse 3:

People talk about this and that
People need to get off my back
I'm just another one tryin' to be, babe
I tore right in without a run for the money
I can't help but come back with you honey
And I can't help but comin' back with you honey

Chorus 3:

Lonely, Lonely Love
You're like a blessing from above
And I can't help myself when I'm with you
Lonely, Lonely come another time when
Guess I'll be comin' right back again
I can't help but comin' back again
I can't help but comin' back again
I can't help but comin' back again
I can't help but comin' back again with you honey
