(Intro)

Woah-oh

Hey-ey

Oh-ho-oh-ho Woah-oh-oh-oh

Ho Hey Hey Woah-oh

Hey Hey Woah-oh

Hey Hey Oh-ho-oh-ho

(Verse 1)

It seems so hard when you gotta win,

You fall down hard and get up again,

And over again...

Everything is not what they said it was,

The day should come but it never does,

Is this your destiny?

(Prechorus)

Can I get a witness?

Can I get a witness?

Can I get a witness Amen! Um-hmm!

(Chorus)

Just a little longer,

Just a bit stronger,

Can you take what you can get,

And make the best of it.

Shine a little brighter,

Last a little longer,

Cause the best is in your reach,

And that's your destiny.

(Post chorus)

Woah-oh Hey Hey

Woah-oh Hey Hey Oh-ho-oh-ho

(Verse 2)

Anything you want that you never had,

Work real hard I believe you can,

Or at least that's what they say...

So we could have the world if we wanted it,
And small towns break those promises,
Um-hmm, Iâ€™m walking away.

(Prechorus)

Can I get a witness?
Can I get a witness?

Can I get a witness Amen! Um-hmm!

(Chorus)

Just a little longer,
Just a bit stronger,
Can you take what you can get,
And make the best of it.

Shine a little brighter,
Last a little longer,
Cause the best is in your reach,
And thatâ€™s your destiny.

(Bridge)

And I know it gets harder
Before it gets better
So why would I just keep
Holding on,
And smiling on,
And on, and on, and on, and on.

(Post bridge)

Woah-oh
Hey-ey
Oh-ho-oh-ho Woah-oh-oh-oh
Ho Hey Hey Woah-oh
Hey Hey Woah-oh
Hey Hey Oh-ho-oh-ho

(Chorus)

Just a little longer,
Just a bit stronger,
Can you take what you can get,
And make the best of it.

Shine a little brighter,
Last a little longer,
Cause the best is in your reach,
And thatâ€™s your destiny.

Just a little longer,
Just a bit stronger,
Can you take what you can get,

And make the best of it.

Shine a little brighter,
Last a little longer,
Cause the best is in your reach,
And that's your destiny.
