Take one fresh and tender kiss add one stolen night of
bliss
One girl one boy some grief some joy memories are
made of this
Don't forget a small moonbeam fold in lightly with a
dream
Your lips and mine two sips of wine memories are
made of this
Then add the wedding bells one house where lovers
dwell
Three little kids for the flavor
Stir carefully through the days see how the flavor stays
These are the dreams you will savour
With his blessings from above serve it generously with
love
One man one wife one love true life memories are
made of this
Memories are made of this memories are made of this
