Verse 1:

I wanted you then, I'm sick of you now
Took so long for me to figure you out
In my heart
The dusty road is finally clear
I looked back and I was already here,
And you're here

Chorus 1:

I climbed the mount' to find someone new
Girlfriend but nothing ever gets to
You're so crazy, let's just let this go
I climbed the mount' to find somebody else
I hit the top and I'm by myself

Verse 2:

When daylight breaks I'm working away
Do my thing and just called it a day
Everyday
I wanna get high and never come down
Cause I can't chill I keep running around,
And around

Chorus 2:

I climbed the mount' to find someone new
Girlfriend but nothing ever gets to
You're so crazy, let's just let this go

I climbed the mount' to find somebody else
Girlfriend so I could put you on the
Shelf, so crazy, let's just let this go

Bridge:

Woah-oh-oh-oh
Woah-oh-oh-oh
Woah-oh-oh-oh-oh-oh
Woah-oh-oh-oh

Woah-oh-oh-oh

Chorus 3:

I climbed the mount' to find someone new
Girlfriend but nothing ever gets to
You're so crazy, let's just let this go
