Give me that old time religion
Give me that old time religion
Give me that old time religion
It's good enough for me

Makes me love everybody
Makes me love everybody
Makes me love everybody
It's good enough for me

Give me that old time religion
Give me that old time religion
Give me that old time religion
It's good enough for me

It was good for Hebrew children
It was good for Hebrew children
It was good for Hebrew children
And it's good enough for me

Give me that old time religion
Give me that old time religion
Give me that old time religion
It's good enough for me

It was tried in the fiery furnance
It was tried in the fiery furnance
It was tried in the fairy furnance
It's good enough for me

Give me that old time religion
Give me that old time religion
Give me that old time religion
It's good enough for me

It will do when I'm dying
It will do when I'm dying
It will do when I'm dying
It's good enough for me

Give me that old time religion

Give me that old time religion
Give me that old time religion
It's good enough for me

It can take us all to heaven
It can take us all to heaven
It can take us all to heaven
It's good enough for me

Give me that old time religion
Give me that old time religion
Give me that old time religion
It's good enough for me
