Chorus 1:

When I gave you my lovin' boo
I promise you I never knew
That night when I met you
I promise you I never knew
When I gave you my lovin' boo
The promises I promised you were wrong
I was wrong, so wrong

Verse 1:

I'm on point tonight
Chicken heads peckin cause my game's so tight
(Woah!)
Eeny, meeny, miny, Moet to the Cris
Single you out and double my fist, Â...LikeÂ...
Off the bat I wanna take you back
Told me right away you don't get down like that
RelaxÂ... I'm gonna move you along
Drink up, Drink up, it's already on

Chorus 2:

When I gave you my lovin' boo
I promise you I never knew
That night when I met you
I promise you I never knew
When I gave you my lovin' boo
The promises I promised you were wrong
I was wrong, so wrong

Verse 2:

I'm like superman
Flyin' uptown in coupes and sedans
Three in the back and three makes six
Eeny, meeny, miny, and take my pick, Â...LikeÂ...
We can go back and cool in the tub
Or we can go back and straight burn on the rug
RelaxÂ... I'm gonna move you along
Red light flashing means the camera's on

Chorus 3:

When I gave you my lovin' boo
I promise you I never knew

That night when I met you

I promise you I never knew
When I gave you my lovin' boo
The promises I promised you were wrong
I was wrong, so wrong

When I gave you my lovin' boo
I promise you I never knew
That night when I met you
I promise you I never knew
When I gave you my lovin' boo
The promises I promised you were wrong
I was wrong, so wrong

Verse 3:

You were on point that day
Two months later when the smoke cleared away
Go! Go! Go! Get your hustle at the bar
To the dance floor, V.I.P., coat check, car, Â...LikeÂ...
Mmm, maybe I should, baby I should, let him
Know you and I ain't good for these games
Too late, he done moved you along
Peeled out the lot, it's already on

Chorus 4:

When I gave you my lovin' boo
I promise you I never knew
That night when I met you
I promise you I never knew
When I gave you my lovin' boo
The promises I promised you were wrong
I was wrong, so wrong

When I gave you my lovin' boo
I promise you I never knew
That night when I met you
I promise you I never knew
When I gave you my lovin' boo
The promises I promised you were wrong
I was wrong, so wrong

[Fade out]
