I feel you're moving on a different cause  
Makin' a way for a distant course  
You say you love me and you roll your eyes  
Turn to stare at the empty skies

I thought it was over and we passed all that  
All we've done is to pass back to frame number one

Come on now now

I wanna show you all again what it would be like  
Just let go and let me love you

Everyway that I can  
I'll try to make you love me again  
Everyway that I can  
I'll give you all my love and then  
Everyway that I can  
I'll cry ; I'll die and make you mine again

Hold me closer oh so good  
You make me feel just like I should  
I know whatcha thinkin' uh-hu good  
Now, the rest of the world is overruled

Tell me whatcha see in other girls all around  
Come on closer and tell me whatcha don't find here  
Come on now now

I wanna give you everything you've been missin' out  
Just let go and let me love you

Everyway that I can  
I'll try to make you love me again  
Everyway that I can  
I'll give you all my love and then  
Everyway that I can  
I'll cry ; I'll die and make you mine again

I'm in love with you  
I'll do all you want me to  
Make me wanna huh-huh

Make me wanna huh-huh

Nothing in the world  
That could stop me no sir  
No no no

Everyway that I can  
Iâ€™ll try to make you love me again  
Everyway that I can  
Iâ€™ll give you all my love and then  
Everyway that I can  
Iâ€™ll give you all my love and then  
Everyway that I can  
Iâ€™ll cry ; Iâ€™ll die and make you mine again
