Lyrics : Vicomte Vampyr Arkames

Ready for a near death-experience-

Spiritual transition
Physical attraction
Consciousness abolition
Sexual perversion

Emotional abstraction
(slow) killing depression
Amphetamine logic
(this is) a monumental dementia

I want you to be the only one
to be down in a hole
to destroy this empty world
or to leave this filthy planet

Darkness is a gift, feel it inside of you
Darkness is a gift, feel me inside of you-

Take it or do it but

Leave this fucking planet !
Take it or do it now !

(feel the devil inside)

Before leaving this fucking planet
Destroy it again and again and again and again

Before escaping this christian world
Destroy it again ! again !

Before leaving- this fucking planet
Destroy it again and again and again and again!

Before burning this holy world
Leave it-now!

Take it or do it but

Leave this fucking planet !
Take it or do it now !

Destroy me, now !
