Lyrics : Vicomte Vampyr Arkames

These unknown landscapes are,
For us, another battlefield.
The quest of glory and immortality
Set on fire our hearts.

We will get the stars,
Worship the moon and the ancient gods.
We'll stand for
The symbol of our eternal power.
The road leads us to victory ;
Forever the throne will be ours.
By fire, our enemies hall perish.
By fire, our power shall be

In her eyes, I read our destiny,
Single, imposing and legendary.
While an eternity, she'll guide us
And keep the flame burning.

Now, the kingdom is conquered,
The earth will know darkness
And in our hands, dwells
The life of humanity.

The road leads us to vitory ;
Forever, the throne will be ours.
While an eternity, I'll guide them
And keep the flame burning
