I'm the Boogie Man
I don't think we've had the pleasure
I'm the Boogie Man
And if it pleases you
(Repeat)

Here's bedtime story for the children of the morning
Don't you want to join my army of militant brats
We'll start a revolution, write a brand new constitution
Just what do you think your parents would say about that?

(Chorus)
Sha-boom tick-tock don't you worry that the world
might stop
If we forgot to keep up with the payments
Sha-boom tick-tock don't you worry 'bout my heart,
child
Rumors of my death have been greatly exaggerated

I'm the Boogie Man
I don't think we've had the pleasure
I'm the Boogie Man
And if it pleases you
(Repeat)

We'll eat the bread, we'll drink the wine, we'll wash it
down with turpentine
We'll pillage in the village till there's nothing left behind
We'll conquer in the name of God we'll kill them all we'll
drink their blood
And if they don't like it we'll leave them all behind

(Chorus)
(Repeat chorus faster)

I'm the Boogie Man
I don't think we've had the pleasure
I'm the Boogie Man
And if it pleases you
(Repeat)
