Look Out "Look Out" David Hopkins

Verse 1

Here's to the words, here's to the songs
Here's to my troubles, if I got it all wrong
Here's to what is and what can't be undone
Here's to the one to who wrote here's to the sun
And above all else and above all this
Here's to the one who just said it how it is
It was you "Look Out".

Chorus

Look out babe you've got a lot of love
Look out babe you've got a lot of love
Look out babe you've got a lot of love
Look out babe you've got a lot of love
Coming "Look Out".

Verse 2

I've been an angel, I've been a fool
I've been something and nothing
I don't follow any rules
Get so down on myself, I go looking for help
I go round cold places, I don't see nothing else
Let's not go talking about things that I've done
It's not how it is, it's just how it's spun
And I've got you "Look Out".

Chorus

Look out babe you've got a lot of love
Look out babe you've got a lot of love
Look out babe you've got a lot of love
Look out babe you've got a lot of love
Coming "Look Out".

Bridge

Your eyes, were right where I am living
Your Hand's, hold the future
My heart, is wide open

Chorus

Look out babe you've got a lot of love
Look out babe you've got a lot of love

Look out babe you've got a lot of love
Look out babe you've got a lot of love
Coming! Coming!
