She's got a way, she's got a walk  
A kind of swing that can't be tall  
And I'm sold, yeah baby, I'm sold

She's got rhythm, she's got rhyme  
Slippin' in right on time  
Got me movin', I want to move on in

But there's only one way  
I'm ever goin' to get a chance  
She's makin' me dance  
And I don't dance

She's got [Incomprehensible], she's got style  
She pulls me in with just a smile  
And I'm a puppet, a puppet on a string

She takes my hand and hits the floor  
I want to quit but she begs for more  
And I'm willin', willin' to be her clown  
Yes, I am

'Cause there's only one way  
I'm ever goin' to get a chance  
She's makin' me dance  
And I don't dance

Helpless and hopeless  
I can barely stand  
[Incomprehensible]

But only got one chance  
One chance  
She's makin' me dance  
And I don't dance

I do the push, the mashed potatoes  
I try to shag the alligator  
The two step, the jitterbug  
I never been known to hurt a rug

But there's only one way

I'm ever goin' to get a chance  
She's makin' me dance  
And I don't dance

She's makin' me dance now  
Oh, she's makin' me, makin' me  
Makin' me dance  
And I don't dance

I don't dance

She's makin' me dance  
And I don't dance  
Oh, she's makin' me  
Makin' me dance  
And I don't dance
