I'm not the one to show you the way  
I'm not worth shedding a tear  
These arms will never give you what you're longing for:  
There's too many years between us  
There lies an ocean of pain  
Dark roads I hope you'll never have to walk

I'm Too Far Gone  
These stories have no happy endings  
So turn away  
Before I tear your soul apart  
I'm Too Far Gone  
These stories have no happy endings  
So turn away  
Before I steal your dreams:  
Burnt by the everlasting sun  
I see no soothing rainfall  
But bitter tears holding the sweetness of blood  
There's too many tears between us  
There lies an ocean of pain  
Scars I wish you'll never have to wear
