[Verse 1]

Lately I've been thinking
You've got something up your sleeve.
I'm knee deep in deceit,
Slowly drowning in your disease.

And when the truth is finally told
You'll have me in a strangle hold.
So tight I cannot breathe
Baby, the thought alone is killing me.

[Chorus:]

So tell me tell me is there somebody else?
Because I don't plan on taking chances with the cards
I've been dealt.
When wishful thinking is the only thing I've got.
She loves me, she loves me not.

[Verse 2]

Lately I've been seeing
Everything a bit more clearly.
My dear I fear your choices
Make your presence less appealing.
When all I want is honesty
You hide it all to well.
But honestly, could you ever be honest with yourself?

[Chorus:]

So tell me tell me is there somebody else?
Because I don't plan on taking chances with the cards
I've been dealt.
When wishful thinking is the only thing I've got.
She loves me, she loves me not.
So tell me tell me is there somebody else?
Because I don't plan on being just another notch on
your belt.
It's time to show me everything you've got.
She loves me, she loves me not.

[Bridge]

Now I'm dancing with her ghost.
A trace of what I loved the most.
Now lay in this bed you've made,
Because baby your life's a masquerade
