And as our backs dripped dirt. we prepare for tragedy.
your hand in. your hand in I.a. (loose ambitions). it
reeks so insecure [drizzle assorted blood. assorted
mind]. these paper. these paper. these paper stains are
for real. we're blissed by bliss. blinded by noise. we're
blissed by bliss. (already already). blinded by noise.
(already already). 21. 20-2. 26. arose. gasp. this haze.
decide to be cinematically televised. we're looked upon
as a scheme to discover. paul shuffled needs that took
time to resolve. we couldn't ask. we couldn't ask. my
tentative line says friction oh friction. we're looked
upon as a scheme to discover. paul shuffled needs that
took time to resolve. sounds fine sounds fine sounds
fine sounds fine. your way your way your way your way.
we're looked upon as a scheme to discover. we face
the jury absolving all lovers. on time on time on time on
time. a new life a new life a new
