Is there really any other move to be suggested. darling
darling darling. salvation. did you mention to kindred
spirits. that walked beyond you. the other. the other
day. our house is a landmark. our house is a landmark.
our house is a landmark. our house is a landmark. and
you say and i say we all say. pleasure today. forget to
convey all that passion. cause oh oh oh hide the smiles
for the evening. cause we do do keep the smiles for
later. that's really how it should be. that's really how it
should be. taste for all and taste for all and taste for all
and taste for all. how did we manage to stay together
for such a long time. it was bliss. it was bliss. it was
bliss. it was bliss. it was bliss. it was bliss. it was bliss. it
was bliss. it was bliss. it was
