(Gertrude)

It's taken all my courage to approach you,
Not to mention all my stamina to follow you
Across the hills and deserts.
But I feel as if I'm ready to confess to you
The feelings that I've hidden with great diligence and
labor.
Behind the vasod of your odd little next-door neighbor.

My eyes are too small,
I have very large feet,
And I'm not very proud
Of my pitiful "Tweet!"
But I've now got a tail that is something to see...

(Horton)

One hundred and two, one hundred and three...

(Gertrude)

Oh, notice me, Horton,
Feather by feather.
This is your next-door neighbor calling.
Notice me, Horton.
Horton, together, we could be great! [key change]
Oh notice me, Horton.
Put down the clover.
This is your next-door neighbor calling!
There's a new leaf your neighbor's turned over...

(Horton)

Over and over, clover by clover

(Both)

I was just a no one only yesterday,
But you showed up and showed me something more.
[key change]
Now I've become a someone
Who has someone to believe in and to be there for.

(Gertrude)

I will not give up hope.
I was hooked from the start,

When I noticed your kind and your powerful heart.
So notice me, Horton

(Horton)
Oh the world would be something new...

(Gertrude)
Notice me, Horton

(Horton)
If they noticed a thing or two...

(Gertrude)
Notice me, Horton...

(Both)
The way I notice you.
