I see you're callin' me again  
What could you possibly want?  
I thought that we could be friends,  
But now I know it was a front

Yeah, I'm alright  
That's just the way that I was dealt.  
I'm trying to make it up in this life  
But I'm receiving no help

No help at all with no holds barred  
But little did I know that I would be scarred  
I'm left all by myself for about a second or two  
You know, out with old  
You know, and in with the new

[Chorus x2]  
First you say whoa Then you say yeah  
Get your hands up  
Throw your hands in the air  
First you say whoa  
Then you say yeah  
Get your hands up

See I smoke it, provoke it  
and I pass it down the line  
tonights whose gettin fucked up cause its 1999  
harder than a shot of mooshine  
my state of mind up till he ultimate crime  
Today is the day that tomorrow will never see  
You live in yesterday's world  
You'll never be free  
I keep going, knowing, flowing for the sake to be  
strong  
As I walk down this road singing the same old song

[Chorus x2]  
First you say woah. Then you say yeah  
Get your hands up  
Throw your hands in the air

I would cry tears  
But they stopped falling long ago  
Back when my visions and dreams  
Reportedly did not show, so  
I cannot be the same pathetic soul that you are  
searching for  
But best believe that when you leave  
You'll hear the slam another door  
Yeah I'm alright,  
I'm not perfect like you  
but if you had a clue  
you know my mental stays true  
so go back to that place  
way back where my visions and dreams  
chose to stay today
