I've searched for words
Of sweet description too best described
The thrill it gives me
Just to have you by my side

But I can't find one single word
That properly defines
How sweet it is just knowing that
All your love is mine

Your love is heavenly sunshine, heavenly sunshine
You fill my heart with your love so divine
Heavenly sunshine, heavenly sunshine
You make me happy 'cause your love is mine

The colors in the rainbow
Are a lovely sight to see
But even rainbows lose their glow
When you smile at me

And when you kiss me I can hear
A thousand bluebirds sing
No matter how that sounds
The words could only mean one thing

Your love is heavenly sunshine, heavenly sunshine
You fill my heart with your love so divine
Heavenly sunshine, heavenly sunshine
You make me happy 'cause your love is mine
