Nobody loves a drink anymore than me  
I might buy a round or two or three  
And I've been known to stumble and hit the floor  
Oh but, I'm never too drunk to make it to the door

Red wine can start my head a swimmin'  
But I draw the line when it comes to women  
I never met a woman that could make me roam  
And I do my swinging at home

She gives me more love, better love  
Sweeter love, true love and that's where I belong  
I might do a lotta talking but soon you'll see me walking  
'Cause I do my swinging at home

She gives me more love, better love  
Sweeter love, true love and that's where I belong  
I might do a lotta talking but soon you'll see me walking  
I do a lotta swinging a lotta love song singing  
But I do my swinging at home
