Just a little lovin' will go a long way and you'll make me
happy the rest of my days
Put your arms around me then I'll be your slave
Cause just a little lovin' will go a long way

Ever since that time began love has ruled the world
Even Adam set the place and started in awhirl
I met you and now I know that you're the one for me
Come on back and you will plainly see
Just a little lovin'...
[steel]
Put your arms around me...
Just a little lovin' will go a long way
