Oh it's been such a long long time looks like I'd get you  
off my mind  
Oh but I can't just the thought of you turns my whole  
world a misty blue

Just the mention of your name turns the flicker to a  
flame  
I think of things we used to do then my whole world  
turns misty blue  
I should forget you heaven knows I've tried  
But when I say I'm glad we're through my heart knows I  
lie  
Oh it's been such a long long time...  
Oh but I can't just the thought of you turns my whole  
world a misty blue
