You tell me you're thinking of leaving no I'm saying that our thing's gone wrong

But darling let's both talk it over I've been talking too much way too long

Oh we both gettin' nowhere at all but together we stand devided we fall

Together we stand devided we fall together there's love or there's no love at all

Oh where did you think we were going anyplace I could go would be wrong

But darling you know I'll be lonely I've been lonely too much way too long

Oh let's both try again and do all for together we stand devided we fall

For together we stand devided we fall
