i seen the sign
i toasted wine
till' the end of time
& i will take you all the way to Palestine
there's lots of time
i'm in my prime
& i will take you all the way to Palestine
cuz' you done no crime
& I keep your kind
so i will take you all the way to Palestine

time it moves much to fast
for all of these gifts to last
i try to forget the past
all of my time at home
& all of our time alone
i cherish how much we've grown

i seen the sign
drank too much wine
& wasted time
but i'll still take you all the way to Palestine

we're out of time
& i'm past my prime
but i'll still take you all the way to Palestine
cuz' i seen the crimes
& i curse your kind
but i'll still take you all the way to Palestine

time it moves much too slow
for all of those seeds you sow
they've run out of room to grow
all of my time away
& all of those things you say
now all we can do is prey

i seen the sign
i toasted wine
to the end of time
now i will take you all the way to Palestine
