day
after day
all alone
sit and pray
pray for you
to come my way
to want to stay
now kneel and prey

prey for me
all this time
in my shrine
guaranteed to blow your mind

prey for me
i pray for you
why can't you see
i'm made for you
i try
try to break through
you try to break free
i pray for you
prey for me

on spring break
all alone
big mistake
i pray for you
to need a ride
to come inside
now take my side
my misanthrope
all this time
with some rope
guaranteed to help you cope
prey for me
i pray for you
why can't you see
i'm made for you
i try
try to break through
you try to break free

i pray for you
prey for me

night
after night
all alone
sit and fight
fight for you
to come my way
to want to stay
now kneel and prey
prey for me
all these years
free from fears
guaranteed to dry your tears

prey for me
i pray for you
why can't you see
i'm made for you
try
try to break through
you try to break free
i pray for you
prey for me
