Wasn't it nice to get laid every night
Even through all the spite of the fighting
I'm waiting on a ten by ten piece of land to stand on
One to call mine if I can get my hands on
Waiting on the money is all that I depend on
Since you been gone
Since you been gone

Don't give me the read
She'll rip your life away
She's a ball and chain
Don't get married

Wasn't it fun to live life on the run
You don't even know what you've done
Now I'm waiting on a ten by ten piece of land to stand
on
One to call mine if I can get my hands on
Waiting on the money is all that I depend on
Since you been gone
Since you been gone

Don't give me the read
She'll rip your life away
She's a ball and chain
Don't get married

Wasn't it nice to get laid every night
I mean oh man my god she was fine
And I'm waiting on a ten by ten piece of land to stand
on
One to call mine if I can get my hands on
Waiting on the money is all that I depend on
Since you been gone
Since you been gone

Don't give me the read
She'll rip your life away
She's a ball and chain
Don't get married
