Music & Lyrics by We3Kings (Seven, Walter Brandt, Bill Brandt)

No words, No thoughts, No reactions
No life, No joy, No satisfaction
Who stole the magic from your eyes?
Who was that thief?
Who filled your head with all those lies
And took away your innocence?

CHORUS

Never Let'em push us down
Never Let'em kick us around
Never Let'em take our pride
Or take away our innocence

Never let'em break our hearts
Never let'em tear us apart
Never let'em take us down
Or take away our innocence

VERSE 2

So cold, So numb, Such distractions
So filled With empty words And actions
Who stole the magic from your smile?
Who was that thief?
Who made you feel so unworthwhile
And took away your innocence?

VERSE 3

Now who's the one, that told you,
You're the only one sufferin'
All around the world, Everybody feeling it
Feeling high, Feeling low
Not every but knows just where to go
And who's the one that told you
That one life can't make a difference
Higher people know
One life can move a mon-a-tain

Look without, Look within
When the student's heart is open
Then the teacher will begin

BRIDGE

Don't play it safe standing for nothing
Better to die fighting for something

CHANT

Where's your heart at?
Where's your mind at?
Where's your soul at?
Come on, come on
