Don't ask me why  
Don't ask me to explain I will not try  
I'm who I am  
That's all you need to know  
So let it go

I will not change for you or anyone at all  
I'm who I am I'm all I ever need to know  
And you know I'll never be afraid

Don't ask me why  
Don't ask me to pretend I will not try  
There's more to me  
Then you will ever know or ever see

I will not change, no I will never compromise  
I'm who I am I'm all I ever need to be  
So let go or turn and walk away

What we are  
What we are  
We're deeper than the sea  
Higher than the stars  
The gods we long to be

What we are  
What we are  
We're beautiful you see  
Brighter than the sun  
We're all we need to be
