Some people get lucky  
Born with a silver spoon  
Other people got to work real hard  
A whole life of paying dues  
One man got a big old house  
Fast car and swimming pool  
Another man got a big old wife  
Ten kids and one bathroom

[PRE-CHORUS]

Sometimes  
We're just stuck  
Behind  
The velvet rope [x2]

[CHORUS]

You gotta jump up so high  
Jump up jump over the rope  
You gotta jump up so high  
Jump up jump the rope

Some people get lucky  
Take a chance to strike it rich  
Other people will they bet it all lose  
Ain't life a bitch  
One man's on the guest list  
Arrives in a limousine  
Another man got to stand on line  
Outside in the pouring rain

[BRIDGE]

We got the world on a string  
Wrapped around our fingers  
We got everything we need  
We don't need a thing  
There ain't no rope that can hold us  
Nothing keeps us down  
There ain't a rope that can bind us  
We're gonna jump up off the ground
