Walk along with me
Walk along with me
Wont you walk with me
Walk in harmony
Sitting on a park bench
Not a penny in my pocket
But that's alright now
Strumming on a guitar
All the s say we rock it
And I'm feeling high now
Working on a sun tan
We don't even try and block it
And it's hot as hell but
We don't care cause
We don't hafta go nowhere
We're just chilling today now
Walk along with me
Walk along with me
Wont you walk with me
Walk in harmony
Walk along with me
Walk along with me
Wont you walk with me
Walk in harmony
Chilling in the sunshine
Hanging by the fancy fountain
Watch the puppet show we're
Slowly getting stole while
All the little kids are dancing and I start to zone
Until I hear a baby cry breaking up my day dream
Happens all the time but that's alright
You know it's just a part of life
We got to take it, you got to take it
Walk along with me
Walk along with me
Wont you walk with me
Walk in harmony
Walk along with me
Walk along with me
Wont you walk with me
Walk in harmony
I still believe

I can fly
I get higher and higher
I will be free
I will fly
Higher and higher
Chilling out having fun
Tripping on a good time
Hanging with the gurls
Out in the sunshine
Strumming on a guitar
Acting like a rockstar
Momma always said
Her baby gonna go real far
Crazy life, catch a ride
Want to go around the world
And see the flip side
You and me, can't you see?
Everything we need to be
Walk along with me
Walk along with me
Wont you walk with me
Walk in harmony
Walk along with me
Walk along with me
Wont you walk with me
Walk in harmony
