That sounds like I should've been there  
That sounds like I, I should've been there  
It sounds as though everybody laughed  
But by the time I'd found out they'd all gone  
I'm gonna miss, I'm gonna miss,  
I'm gonna miss, I'm gonna miss, tomorrow  
That sounds like I should've been there  
That sounds like I should've been there  
I'm gonna miss, I'm gonna miss,  
I'm gonna miss, I'm gonna miss, tomorrow  
I bet they laugh  
I bet they laugh  
I bet they laugh at me  
I bet they laugh at me  
I bet they laugh
