Life is changing, I can't go on without you,
Rearranging, I will be strong, I'll stand by you,

You we're fighting, everyday, so hard to hide the pain,
I know you never said good bye, I have so much left to
say,

One last song, given to an angel's son, as soon as you
were gone,
As soon as you were gone...

I have a new life now, she lives through you, what can I
do,
I feel so alone now, I'll pray for you, we still love you,

You we're fighting, everyday, so hard to hide the pain,
I know you never said good bye, I have so much left to
say...

One last song given to an angel's son, as soon as you
were gone,
As soon as you were gone,

One last song... I CAN'T BELIEVE YOU'RE GONE... Given
to an angel's son, I CAN'T BELIEVE... As soon as you
were gone, as soon as you were gone, gone, gone...
