Things you've done have set you back in time,
I think about the way we lived our life was it yours or
mine?

Why can't you tell me?
(I can)
I had a feeling
(You'd crawl on your knees)
To punish me,

It's hard to keep you by my side,
Haunted by the vision,
Too ugly
For one day,
Go live your life,

Sick of all the ways I try to change
To keep the promises we made all over again
Can't you see?
I'm gonna try to live again
(Why Can't)
You give me the reason
(Why can't you just see)
Misery
(Set us free)

It's hard to keep you by my side,
Haunted by the vision,
Too ugly,
For one day,
You tried to keep me far behind,
Caught by indecision,
Too ugly,
If only you'd live your life,

Haunted by the vision ,
(Haunted by the vision)
Too ugly,
(Too ugly, too ugly)

It's hard to keep you by my side,
Haunted by the vision,

Too ugly,
For one day,
You tried to keep me far behind,
Caught by indecision,
Too ugly,
If only you'd live your life.
