I'll Be Your Chauffeur (Original Version) -- David J.

I'll be your chauffeur

Drive you to a distant shore

Fill the tank with gas and dreams

Follow signs and semaphore signals

'Till we reach that place

A better place

Misplaced and lost for a millenium

Then found

I'll be your chauffeur

The go-fer who will fetch 'n' carry you home

So curl up on this mobile sofa

We'll orbit strange moons and constellations unknown

We'll go to that place

That perfect place

The place you thought you'd lost

Can now be found

I'll be your chauffeur

No diversion shall deter

I'll wear the uniform

The engine will purr as if metal were fur

And when we reach that place
Our original place
Then we shall stay in our Eden restored
I'll check the water
I'll take the wheel
I'll jump a red light
I'll check the water
I'll take the wheel
I'll jump a red light
If that's how you feel
I'll be your chauffeur
No destination is too far
We'll turn the mileage
The payment we shall disregard
And we will leave this place
For another place
A ticker tape welcome
Awaits us in the stars
I'll check the water
I'll take the wheel
I'll jump a red light
If that's how you feel
I'll be your chauffeur, yeah
I'll be your chauffeur, yeah
I'll be your chauffeur, yeah

I'll be your chauffeur, yeah
