Sevenes... JL... break it down

(1st verse) Sevenes

Hop down out the range rove' let low, lets go' cus I say
so
Let me know what you like', let me know what you want,
cus you know how sev roll "oh oh"
My heart beat box, skip knock' when your body rocks
Let me know if you wanna talk, ' take a walk,
Clean street, straight down the whole block
Let it be, let me take you with me on top, '
I'ma get props non stop, makin all head bop, '
Be the hot shot, rockin the spot, ya know I get it pop,
get it hot,
I got it lock', stayfresh with ya self, one time put it up
now
Sevenes' jl rockin all crowd 'shadow on the beat, we get
lowd
I know I'ma knock it down, I'ma show you what it is,
done did it again wow
No doubt, I'ma do it philippine style, ' who fresh, whos
dope, whos the wild child
All style, all night, on the mic blaow', come on girl, '
come on lets ride
When you with sev everythings tight, ' when you with
me everythings right
Come on, lets do this all night, ' jl break it down spit the
hook live!.

(Chorus) x2 JL

Girrrl... ! what you wanna do?...

I'm lookin at you dead in the eyes, ur pullin me across
the room

I see you standin in a skin tight, in the light, lookin
right,

Come and be with me tonight, girrrl...' I'm feelin you!...

Sevenes: "whoa"

(2nd verse) JL

Tell me what I gotta do tonight to have you come and

roll with me "roll with me"
All the ladies in the house tonight, tryna get in the
vip..."in the vip"
But your the one I'm tryna get at,... so come here and
then make this round
We can dip low, get blown party on until we feel this
high,...
Now the party don't stop!. as like we couldn't break
away
You know I got it on lock, we party till the break of
day!...

Sevenes:
I'ma straight swaggered up, more for the luck
Champagne toast up, up in the club
Ladies show me love, I'ma give you a hug
Got that sevenes fresh like billion bucks
Let me know, ' let me get that'...
Let it roll, spit game like a broadcast "ahhh"
Nights young, shawty make it last
I'ma trespass, I don't give a damn yup! I'ma love that
I'm a nightman, with a swag
Stay up and kick it let me know if you'd want that
"whoa"

(Chorus) x2 JL
Girrrl... ! what you wanna do?...
I'm lookin at you dead in the eyes, ur pullin me across
the room
I see you standin in a skin tight, in the light, lookin
right,
Come and be with me tonight, girrrl...' I'm feelin you!...

(Bridge) x2
You know we got, you want it?,...
So come and get at me..."baby come and get at me"
We got this fifty's and hundreds, we bout to make it
rain

(Chorus) x2 JL
Girrrl... ! what you wanna do?...
I'm lookin at you dead in the eyes, ur pullin me across
the room
I see you standin in a skin tight, in the light, lookin
right,
Come and be with me tonight, girrrl...' I'm feelin you!...
