(Chorus) x2

I'm not a liar', I'm a fucking hip hop head
And if you got a problem with me' come to me, I'll drop
you dead
I spit fire', I'm a fucking hip hop head
And if you got a problem with me' come to me, I'll drop
you dead

(1st Verse)

I'm the realest' son you better know this
I smoke kids who acts way too hard, I'm focus
My rhymes is hard' so listen to this
I spit lyrics, so hear it now' it's dangerous, it's toxic
My verse punch with punchline like paquiao' like boxing
Who would've thought sevenes can break it down so
flawless
I'm honest' fuckin with me is like fuckin with your
parents
I'm sending subliminal messages to those who
understand it
Combining two styles together, spittin tagalog to
english
And I just barely started, yet I'm not even finish
I'll shatter anybody who step to this, ' so respect the
unexpected, '
My minds injected with knowlegde, it's for the record
I'm known to wreck, kill instrumentals' so I practice
Different style it's in progress, I'm expert to hurt those
whos selfish
I'm fearless, relentless', I'm sevenes... embed it to your
chest wit...
Syllables it's endless, I'll send this rhyme, to hit your
camp, ' clicks
Torrin down bricks, usin my talent!

(Chorus) x2

I'm not a liar', I'm a fucking hip hop head
And if you got a problem with me' come to me, I'll drop
you dead
I spit fire', I'm a fucking hip hop head
And if you got a problem with me' come to me, I'll drop
you dead

(2nd Verse)

My mind is undefined, even the blinds sees how my
rhyme changes
The hunger, ' the pain from these lyrics makes me rock
stages
The hype and adrenalin rush that's why I lace this
It's basic, I use certain parts, ' it's logic, it's matrix
And I don't give a flying fuck if I don't become really
famous
As long as one of yall feel the tracks that I be bangin
It don't matter whether you like me or not, cus I'm real
like that', it's hip hop
This is the life' I won't stop, I be droppin verses, like
raindrops
I'm non stop, I'm stormin, I'm flaming hot, I'm blazin
I'm waiting for my turn, bear with me for a second
I'm filipino and you know I'm reppin
I'll take you to my level, this is where I stand', you know
I'm destined
I'm standin on top, got my hands up', peace one for the
nation
I'm the situation, creatin' producing my own music for
yall to feel in
The industry cats seems to be constantly fakin
They think they're hard! ' I'll bring the action!

(Chorus) x2

I'm not a liar', I'm a fucking hip hop head
And if you got a problem with me' come to me, I'll drop
you dead
I spit fire', I'm a fucking hip hop head
And if you got a problem with me' come to me, I'll drop
you dead

(3rd Verse)

Sa bawat bagsak ng oras, musika ko ang hinahanap
Pag sulat at pagdura, nagaganap, pumapatak
Gumagawa ng instrumental, kahit walang tulog, pilit
bumanat
Palabasin' lyric kong kasing talas na ng itak!
Hinihila ng dila ang dapat ng mapakinggan
Ng kabataan, ilalabas ko na ang nalalaman
Tunog na dapat gamitin ang iyong isipan
Umaapoy ako, ' di nyo ako kayang hihipan
Subukan mo, ' patay ka di mo ako kayang pigilan
Isinilang ako para sa aking bayan
Sabihin, umawit, bumigkas para sa lupang hinirang
Si sevenes ngayon babanat para sa kapayapaan
Ako ang guro, pangulo, ako pang musikahan
Pakinggan ang sinasabi ko kahit sandali lang

Para malaman mo kung gaano tapat,
Ako sa hip hop, ' dito ako tunay sinilang!
