(Chorus x4)

Make you dance make you move, move this way!
Make you bounce make you jump, jump thi way!

(1st verse)

Shake that girl!, like you shakin your hips the right way
I don't stop when it comes to this I play
On the ground with the sev sound I say
What u know about, I'm from oc to la
Upnorth downsouth, where I sway
Philippines where I drop hits everyday
At the same time, blowin up speakers lets partay
Get it nice, gettin with it my entourage aye!
Hit up the floor, slide to the stage, runways
Wanna know who this is it's sevenes check me on
myspace
For a sec change the topic hit the bar wait
Pound some liqas get the right chase, swiggin all day
Party like there's no tommorow pretend it's your
birthday
My steez is gettin hotta listen everyboday
Breath take place shake the buildin, it's sev okay!
I'm fresh to the death, you know I gotta make make

(Chorus x4)

Make you dance make you move, move this way!
Make you bounce make you jump, jump thi way!

(2nd verse)

You know me, how I'm chill back, you I'm simple not all
that
I know you notice how I spit rap
Get on the right track, ride with me
I bring the illest hits for all my peoples so listen and see
I'm over here gettin this knockin! so easily
Breathe a lil bit "ha" feel the breeze
Don't even worry cuz I'm one of those expertise
Yup! I got it lock betta know, you can't stop me,
Whoa! keep it movin! bounce to this
Sevenes is the nicest, come on lick your lips girl
Get with it, get tips, call me sir
Sevenes so fresh got you to swerve

From the left to right if you a pimp say word
So get on and jump jump dance for the wide world
And I be swiggin at the same time
So let me see you swing, swing swing swing! yo
curves!

(Chorus x4)

Make you dance make you move, move this way!
Make you bounce make you jump, jump thi way!

(Bridge x4)

I wanna see you bounce
I wanna see you move
I wanna see you dance to the beat like that

(3rd verse)

You betta! shake, wiggle to this and feel the thrill
Sevenes brings the sub so that's I'll
So follow the drill, do what you want, well
Get this off the chain, I'll seal the deal
Sway! do the lil step, mix, mash with it
Hop hop! come on come on! come on slide with it
I'm a filipino cat and I'm proud of it
Tell me what you like now, well get to it
Simple as one two! come on live so let
Let yourself go, get wild with yo click
While you watch me rip, spit so infinite
Imma keep this loud now! so turn up this shit
Imma keep this fresh now! shortay movem hips
Imma show yall good times so get in my trip
Now do a lil skip, get low and dip
Just remember sevenes who rock this on some other
tip!

(Chorus x8)

Make you dance make you move, move this way!
Make you bounce make you jump, jump thi way!
