(CHORUS)

I don't KNOW HOW I SHOULD BE FEELING IN THIS
SUDDEN LOST OF ME
BUT IF that's TRUE, COULD I HAVE BEEN SO EASILY
FORGOTTEN

SEVENES: Yeah first of all, I want to let you know how I
feel right now

I wanna let you know what's goin on with my life,
"without you"

I made you this song, so I hope you listen to this one

1st VERSE

Yeah yo! first of all, I wanna let you know how much
that I care

But I don't know if it's fair, just leave me broken in
dispair

Everyminute I tear, askin myself why and how we say I
love you, and I'm here

I know I made mistakes, but I promise you this
I will try to fix this, I will change for someone like you
and I wanna visit,

Drop couple of roses just to show you that I miss it
I need it, I need you in my life, you need come back
and kick it

I wanna hear your voice, sing with me just for a minute
I wanna be next to you knowin your safe that your with
me

I promise I'm honest your my wife wait till I finish
Connect with me please, don't go away don't even
vanish

And if you havin problems, come to me I'll help you
solve em

I got your back baby, I'll be here just be open
I'm hopin to see you soon we gotta keep this goin
Love is love I want you to know that I'll be waitin

(CHORUS)

I don't KNOW HOW I SHOULD BE FEELING IN THIS
SUDDEN LOST OF ME
BUT IF that's TRUE, COULD I HAVE BEEN SO EASILY
FORGOTTEN

SEVENES: I'm tellin you right now... , I need you in my life,...
And I'm serious about this... I need you... , please forgive me...

2nd VERSE

I just hope your listenin from the beginning to the end
The song that I made for you my partner my bestfriend
And I don't want this to end, and I don't want to pretend
And imma show you your the only one who I need, who can mend
The misery the sorrow restless dreams that I am in
Can somebody wake me up, cuz I still wanna be your boyfriend
I'm losin my mind so please come back to me now
Cuz I don't know how to live witout you I'm filled with many clouds
I can't breathe. I can't let you go, I can't sleep
I can't eat, I need you right now, you can't leave
I can't breathe. I can't let you go, I can't sleep
I can't eat, I need you right now, you can't leave
So please believe me, imma try my best just gotta trust me
And I don't wanna move on I don't care about nobody
Except you, cuz your the only one that I connect'd with
And why out of a sudden your feelings for me just lost it

(CHORUS)

I don't KNOW HOW I SHOULD BE FEELING IN THIS
SUDDEN LOST OF ME
BUT IF that's TRUE, COULD I HAVE BEEN SO EASILY
FORGOTTEN

SEVENES: damn... I just want you to know...
That I never loved anygirl as much as I love you
You know what I'm sayin,,, I don't know... I feel somethin different about this
And I wont give up on this... yeah

BRIDGE:

I can't breathe. I can't let you go, I can't sleep
I can't eat, I need you right now, you can't leave
I can't breathe. I can't let you go, I can't sleep
I can't eat, I need you right now, you can't leave

3rd VERSE

Give me one more chance and I will prove it to you
I show you what real love is and I will do this for you
Anything that you want, anything that you need

I'm givin you this time cuz I trust you comming back to me
I just want you to know, that I will love you and no one else I would love in this world
And I will do anything so just let me know don't let me go,
So think about the memories we had before u make it sure
Because once I'm not here next to you anymore and I'm gone
I hope you realize that no one would do what I'd do for you
I took care of you, I made my mistake and I messed up to
But now I'm different and that's the truth
Your all I need in my life, I'm sorry that I hurt you.
So please forvige me now and lets start over new
I made you this song, it's what I feel for you
I Dedicate this just for you for you to see my point of view

(CHORUS)

I don't KNOW HOW I SHOULD BE FEELING IN THIS
SUDDEN LOST OF ME
BUT IF that's TRUE, COULD I HAVE BEEN SO EASILY
FORGOTTEN

SEVENES: damn... pshh ah... I hope you feel this song, I wrote this...
I made this for you... I just want you to know that I really do...
I'll do anything... just come back to me...
