Come into my arms and I will give you rest  
Will you trust me with your whole life?  
Will you go into the place that I call you to be  
and wait until I supply?  
Only there will you find joy  
Only there will you find me.  
Here I am. I'm waiting for you  
I'm waiting for the day when you see light  
Here I am, you're never alone  
Wherever you go, I am here  
Trust me with your life.  
I will take away the pain you hide and fill it with my love  
Will you ever begin to see the reasons why you are  
here  
and take a leap of faith into the arms of me?
