Eighty years have passed  
Weak eyes can hardly see  
This frail body dies  
Mortal life expires  
As my soul is removed  
Farewell to Human cries

My soul journeys on  
I know my name is written in  
The Lamb's book of life  
I soon will see you  
My king, my only Lord  
To dwell in Heaven's peace

My journey complete  
Unto a better life  
There is no more pain  
Free from infirmity  
Love of the Trinity  
Reflected happiness

So I find release  
Jesus Christ King of Kings  
Is here with me  
No need for sun or moon  
God's glory will never cease.
