Everything upon this planet  
Creatures under the heavens span  
Evidence for your endless power  
Part of your masterplan  
In this gallery of creation  
The exhibition is just perfect

Mankind is taking part in  
This deceptive endless play  
Some want to be directors  
But we prefer to pray  
Cause we are cast just for a lifetime  
We are actors on the run for text

Mighty creator of all the heavens and the earth  
Infinite king the satan gives you a wide berth  
With hearts on fire our tongues are giving  
Cheers to you, almighty Lord!

Shout it out!  
He is the king  
Peace and justice he will bring  
Burning hearts  
Tongues of fire  
For his name

When I look at the sky that you have made  
The moon and the stars above  
You set them in their places  
They all are telling of your love  
I ask myself who am I  
Who am I that you care for me?

If I would try to scape  
Where could I hide from you?  
With open arms you are waiting  
You're the one who brings us through  
Patience and love you proved it  
Confession breaks the devil's neck

Mighty creator of all the heavens and the earth  
Infinite king the satan gives you a wide berth

With hearts on fire our tongues are giving  
Cheers to you, almighty Lord!

Shout it out!  
He is the king  
Peace and justice he will bring  
Burning hearts  
Tongues of fire  
For his name

Shout it out!  
He is the king  
Peace and justice he will bring  
Burning hearts  
Tongues of fire  
For his name
